Charles county, December 22, 1783.  
To be SOLD, at the dwelling plantation of the sub-  
scriber in Charles county, on the 10th day of next  
month, (January) if fair, if not the next fair day,  
for cash or tobacco,

**A** PARCEL of prime slaves, consisting of men  
and women, and a pretty boy. Ready money will  
be most acceptable, but to those to whom it may be  
inconvenient to pay on the day of sale, a short credit  
will be given, or tobacco bonds with security on in-  
terest will be taken, and a credit of two years given;  
one half the principal with interest to be paid at the  
end of one year from the day of sale; and the balance  
at the end of the other. Among the above negroes  
are two good cooks, the one an elderly though very  
hearty woman, the other a very likely healthy young  
wench about 18 years of age, with a fine child about a  
year old, she has been brought up from her infancy in  
the kitchen; they are both plain cooks, and the elder

3X

GEORGE LEE.

December 8, 1783.

On Tuesday the 10th day of January next, if fair, if  
not the next fair day, will be exposed to public sale,  
if not sooner disposed of, at the house of captain John  
David, in Lower Marlborough, Calvert county,

**T**HE subscriber's late dwelling plantation, lying  
within three miles of Lower Marlborough afore-  
said, and near to Patuxent river, containing 256 acres  
of very valuable land. It has the advantage of a fine  
range for stock; the soil is well adapted to the produce  
of grain of any kind, and it is equal for making fine  
tobacco to any land in the state; near or about one  
half is covered with wood which abounds with excellent  
timber in large quantities; there is a good stream runs  
through the land with a fine seat on it for a mill. Also  
a large proportion of rich low ground, which may  
easily be converted into the best of meadow. The im-  
provements are, a small dwelling house with the neces-  
sary out-houses, and two very good large tobacco  
houses, all in tolerable good repair, the whole having  
been built within these twelve years past; there are  
also two good thriving peach orchards, with other va-  
luable fruit trees. The title is indisputable; a general  
warranty will be given, and the purchaser will have  
possession immediately. Any person inclinable may  
view the premises on application to Mr. Clement Smith,  
who lives adjoining. Adjusted state certificates of any  
kind, except those granted to soldiers and transferred  
before the 16th day of January last, will be taken in  
payment, except for a small part which must be paid  
in cash, and such further terms as may be convenient,  
will be made known either before or on the day of sale,  
by

PATRICK SIM SMITH.

**TO BE SOLD,**

**T**WO full properties, or two equal undivided  
twenty-fourth parts of East-Jersey, to which there  
is appertaining an undivided right to an elegant house in  
Amboy, where governor Franklin formerly resided, a  
share of the bank stock, as also a large quantity of lands  
unlocated, as well as rents due on those already lo-  
cated; it abounds in a good proportion of cedar,  
swamp, and meadow ground; the fertility of the soil  
is so well known that little need be said in regard to the  
quality; should congress fix on that part of the  
country, according to resolve, for their permanent re-  
sidence, it will undoubtedly render landed estates there  
still more valuable. The title is indisputable, which  
will be made clearly to appear, as well as the terms of  
payment made easy, by
